## *Take a Seat Vienna Scavenger Hunt*

We hope you see every one of the amazing benches throughout town. As an incentive, we're having a scavenger hunt. It'll take you a while but that's ok...we'll be going all summer. Along the way, decide on your favorite bench and bid on it at the Nov.2 auction.

### Requirements

- Find 40 of the benches. You can find a map with pictures of the benches in the brochure.
- Take your picture on each of the benches. Make sure we can see some of the bench!
- Put all the pictures together in a single album to post on Facebook.
- Post the album to your Facebook page and ours – Vienna Arts Society (VAS).
- Kiln & Co. is providing a prize for any who complete the hunt!  
When you post your pictures we will contact you and send your prize coupon.
- Everyone who posts 40 will be entered in a drawing at the auction (11/2/2019) for a \$250 gift card.

Now that you know where all our sponsors are – please visit them often.  
They've shown their support for Vienna, let's show our support for them.

### A few rules

- Anyone may enter, but kids 14 and under need a parent to accompany them when they take their photos.
- Please do not interfere in the sponsor's business. Don't block door access or ask the store staff to take your picture.
- Mind all traffic and pedestrian regulations. Stay on the sidewalks, cross on the crosswalks.
- HAVE FUN
